### PROFILE

I am a storyteller, filmmaker, and game designer that uses creative mediums to express myself while providing entertainment for anyone who is interested. I currently reside in Mississauga, Ontario and am a graduate of Sheridan College's Bachelor of Film and Television program. Throughout my time at Sheridan and subsequent personal and work projects, I have developed a diverse set of skills. I love collaborating with other talented and creative individuals to create, produce, and share content that I am proud of. Always eager to learn and develop my skill set, I hope to one day be known as a storyteller that inspires the world.
