

To Whom it May Concern,

I am writing on behalf of Liam Goffin, a former student at Sheridan College, in the Honours Bachelor of Film and TV program. I taught Liam over the course of one semester in the 2nd year camera and Lighting class. Liam achieved a high A level mark. He had the second highest mark out of a group of 17 students. This fact demonstrates that he is conscientious and hard working. Winter 2021 was a tough semester as we were employing a hybrid teaching model where a handful of classes were in person, but the majority of classes were online, this all due to the Covid-19 pandemic. Liam showed excellent resilience and was able to create 3 solid film projects as part of his course work. His Three Minute Film project was a sensitive portrayal of a family employing music therapy for a grandmother struggling with dementia. With extremely limited resources and numerous lockdown restrictions he was able to craft a compelling film. It was strong in its story, direction as well as in its use of camera and sound. I would say that overall, his work in the course showed maturity and a care of craft. It was evident that he has a passion for storytelling through the film medium. I think he would be a highly suitable candidate, and his record in Camera and Lighting speaks to that. Thank you for your consideration and please feel free to contact me if you require any further information.

Yours Sincerely,
